

COMING SOON:  
YOUR NEW AUSTRIAN  
**English Language Professionals**  
ASSOCIATION

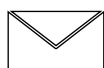

Exciting things are happening in the world of English Language Professionals in Austria! An entirely new association is being built in collaboration with IATEFL, Uni Wien, Uni Graz, TEA, and a network for the 21st Century - an online and face-to-face community for English language teachers, translators, editors, testing professionals, and content writers like you!

Please FILL OUT THE SURVEY AT **[WWW.ELP.OR.AT/ELP-SURVEY](http://WWW.ELP.OR.AT/ELP-SURVEY)** AND HELP US SHAPE THE FUTURE OF ENGLISH IN AUSTRIA!

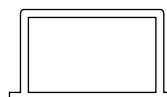

We are currently building a network across the country of interested and engaged professionals. If you would like an opportunity to lead a project, special interest group, become a board member or regional representative, we are interested in hearing from you. These leadership opportunities are available very soon, as the current national organization (TEA) is expected to dissolve in August 2018.
